The Leaves of Life Legacy Tree

The Leaves of Life Legacy Tree at Pawnee Valley Community Hospital is a magnificent metal wall sculpture with brass leaves engraved with the names of loved ones who have traveled life's journey with us. The Leaves of Life Legacy Tree is a way for family and friends to honor the memory of loved ones and to also celebrate the lives of those we love.

Purchasing a Leaf

To purchase a leaf: With a gift of \$250, an individual will be honored with their name engraved on a brass leaf that is then placed on the Leaves of Life Legacy Tree. *See last page for details.*

Funds raised through the Leaves of Life Legacy Tree assists future patients by helping to provide the Pawnee Valley Community Hospital with new and replacement equipment, programs and services, which in turn improve the quality of healthcare for the residents of Pawnee County and surrounding communities.

Commemorative Gifts

Commemorating a special person with a gift to the Pawnee Valley Community Hospital Foundation provides a lasting tribute to a family member, friend, or loved one and contributes valuable support to the Foundation.

A gift "in honor of" someone is usually made while that person is living, often for milestone occasions such as treatment completion, a birthday, a special gift or holiday, a major accomplishment, recuperation or retirement.

A gift "in memory of" someone is the term used when the namesake is deceased.

All these gifts are referred to as commemorative.

Direct donations may be given to the Pawnee Valley Community Hospital Foundation without the purchase of a leaf. Contributions are used for new and replacement equipment, programs and services.

**Dance like there is no tomorrow.
Each new day is a reminder
That everyday is a new beginning.
Live it to its fullest!**
